

“Circuit-Breaking” Measures

4 April 2020

Dear True Lifers

In light of the circuit-breaking measures announced by the government on 3 April 2020, the planned administration of the sacraments through home visitation is postponed till further notice.

The government’s call for people to be homebound is a time to strengthen family bonds. Eat together and pray together as a family. Besides your Quiet Time, have family devotions. Catch up on family time, catch up on time with God. Meditate upon His Word. Do this regularly; make it a habit. The present crisis may just be a blessing in disguise. The Lord is saying it is time to *“Be still, and know that I am God”* (Ps 46:10).

With the Lord’s help, we will get through this. We pray the Lord to protect us, our families, our church, our nation from all harm and evil. Do share the gospel to your loved ones, relatives, friends, colleagues and classmates during this time. They need the Lord Jesus Christ as their Saviour more than ever, and it is a good time to share the good news.

This may be a “circuit-breaking” time against the coronavirus, but more importantly, let it be a time of connecting or reconnecting with God. Some have backslidden and strayed from the Lord. It is high time to repent and return to Him. *“Draw nigh to God, and he will draw nigh to you. Cleanse your hands, ye sinners; and purify your hearts, ye double minded. Be afflicted, and mourn, and weep: let your laughter be turned to mourning, and your joy to heaviness. Humble yourselves in the sight of the Lord, and he shall lift you up.”* (Jas 4:8–10).

Let us look forward to worshipping the Lord and remembering His crucifixion and resurrection for us on Good Friday (April 10, 8pm) and Easter Sunday (April 12, 10.30am) respectively. The preachers will be the Rev Dr Park Seung Kyu on Good Friday and Dr Jose Lagapa on Easter Sunday. Only Jesus saves!

Yours affectionately

Pastor Jeffrey Khoo
