

# **Scaling Back of Worship Services Due to Spike**

**(5 May 2021)**

You have heard the news last night. Since there is a spike in Covid-19 cases, we have to reduce the number of worshippers at RELC to 100 pax per service. This will take immediate effect starting this Lord's Day, 9 May 2021.

We shall have 2 English services at the RELC Auditorium—the 1<sup>st</sup> at 8am & the 2<sup>nd</sup> at 9.30am. The Chinese service will be held at 11am, also at the Auditorium, for 100 pax (note change in venue, time and number).

Please register your attendance via the church website ([truelifebpc.org.sg](http://truelifebpc.org.sg)). Registration for all services opens tonight at 7pm.

Check in at RELC will be by TraceTogether tokens. Please make sure you have your tokens or apps ready this Sunday.

For those who are unable to join us physically for worship, you can worship online via the Church's YouTube channel (go to church website for the links). The services will be broadcast live at 9.30am for the English and 11am for the Chinese.
