3. Help me draw nigh to Thee each sa - cred hour.  
4. Lord, help me sing Thy prais - es ev - ery night,

The twi - light fades and all is quiet and still.  
Speak through Thy Word and let Thy ser - vant hear.  
Ot' joy of strength re - newed and of Thy power!  
With all my loved ones wor - ship with de - light!

Hushed is my soul by Eve - ning's per - fect peace.  
Cleanse me from sin that mars a ho - ly Day.  
As the hart pants for streams a - long the way,  
The sun has set be - hind yon o - live hill,

As one looks up - wards, there's a sweet re - lease.  
Res - tore my soul while 'gain to Thee I pray.  
So may I seek Thee se - ven times a day.  
O Sun of Right - eous - ness shine o'er us still. A-men.
